

TESTIMONY BY JOSEPH W. MAHALIK, LtCOL, USAF, DEPUTY CHIEF, ENGINEERING DIVISION, JUNE 2002

"The Air National Guard is extremely pleased with the performances and support of the FBA program, support personnel, and its contractors. The Civil Engineering Directorate, Andrews AFB, MD, has been extremely pleased with the services being performed in support for computer technical support. A cost savings of approximately 30%, or in excess of \$300,000 per year has been realized".
